

The Mother Road Dietitian, LLC. Provider Referral Form

At The Mother Road Dietitian, LLC, we proudly accept Blue Cross Blue Shield, Cigna, Health Choice, Healthcare Highways, and United Healthcare. While many plans cover nutrition therapy services, it's important to note that this **does not** automatically guarantee reimbursement.

We're committed to ensuring transparency and clarity regarding insurance coverage. Our team will verify patient insurance eligibility and coverage, and provide the necessary information to understand expected out-of-pocket costs, if any, prior to the initial session. **All our sessions are conducted via Telehealth.**
